

THE DELICIOUS NZ FUNDRAISER COOKBOOK

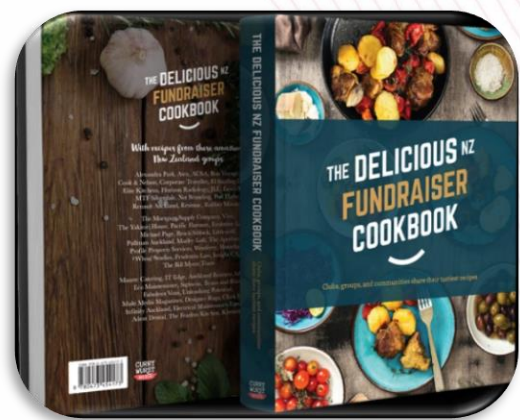

www.deliciousfundraiser.co.nz

The Delicious Fundraiser is a book aimed at community groups throughout New Zealand to be part of, to raise those all-important and much needed funding dollars.

This is a unique product using a cookbook format, that allows participants to provide their own personalised content matched to one of our recipes. The book gives a much better return with less effort than most fundraising options.

Buy books for \$25 and sell for \$50, profit of \$25 per book. All surcharges are included in the \$25 including postage.

Units pay back the cost of the book in 3 instalments over 3 months so there are no upfront costs to worry about. We recommend pre-selling the books before the books even arrive!

How many can you sell? You will receive a minimum of 50 Fundraiser Cookbooks, which will make you at least \$1,250! But that doesn't have to be the end. You can order more cookbooks to raise even more funds for your unit. 75 books will make you \$1,875, and 200 will make you \$2,500, minimum.

With a minimum order of 5000 books across New Zealand they will make a bespoke GirlGuiding NZ book. This can be ordered from different units and each unit can send their own pictures in to make their book unique to them.
