

## FUNDRAISING WITH HONEYWRAP

GOODBYE PLASTIC,  
HELLO HONEYWRAP!

KEEN TO ENCOURAGE WASTE FREE LUNCHES  
AND RAISE FUNDS FOR YOUR SCHOOL OR  
ORGANISATION?

WITH OUR HONEYWRAP FUNDRAISER YOU  
CAN DO BOTH AT THE SAME TIME!

Honeywrap is New Zealand's original, organic  
alternative to plastic wrap. **No more plastic wrap in  
lunchboxes or rubbish bins.**

It protects your food, keeps it fresh and can be used  
over and over. **Wrap, rinse, repeat!**

Each Honeywrap will save the equivalent of **75 metres  
of plastic wrap** from going into landfill or our oceans  
over the period of a school year.

Our wraps are handmade and packaged by us in  
beautiful West Auckland.
