

HOW ARE YOU GOING TO CHANGE THE WORLD?

THE RANGER ADVOCACY PANEL (RAP) IS FOR RANGERS WHO WANT TO MAKE A DIFFERENCE.

As part of the RAP, you will have the opportunity to work alongside other Rangers from around Aotearoa to speak out on issues that matter and take action for a better world.

This is what advocacy is all about!

HOW TO APPLY

If you were born between 1st April 2007 and 30th September 2009, you can apply for a two-year term as a RAP member. As the panel meets mostly online, you can apply from anywhere in the country!

To apply, tell us how you want to make a difference. You can do this as a video, in writing, through your art – any way you want!

You will also need:

- permission from your parent or caregiver
- support from a Leader
- support from another Ranger.
