

## Setting up an automatic payment for GirlGuiding NZ fees

- As at 1 January 2025 GirlGuiding Term Fees are \$110.00 per term and run to the Primary School Terms so approximately 10 weeks per term.
  - Payments must be made to cover each Term fees by the end of that Term.
  - The amount required to cover this weekly will alter dependant on when payments are started.
  - You do not need to wait until an invoice is received before you start making payments.
- Fees for Events must be received by the confirmation date of the Event.
  - As the cost of each Event is variable, we recommend including an amount in your automatic payment to partially cover Events. Events must be paid in full by the confirmation date included in the Event information so may require additional funds.
- Please set up your automatic payment to credit our Westpac bank account  
**The Girl Guides Association NZ Incorporated 03-1591-0008382-000**
  - Use the child's 12 digit unique ID number as the reference for your payment to ensure the funds get credited to your child's account.
  - Set up separate payments for individual children if you have more than one child attending.
